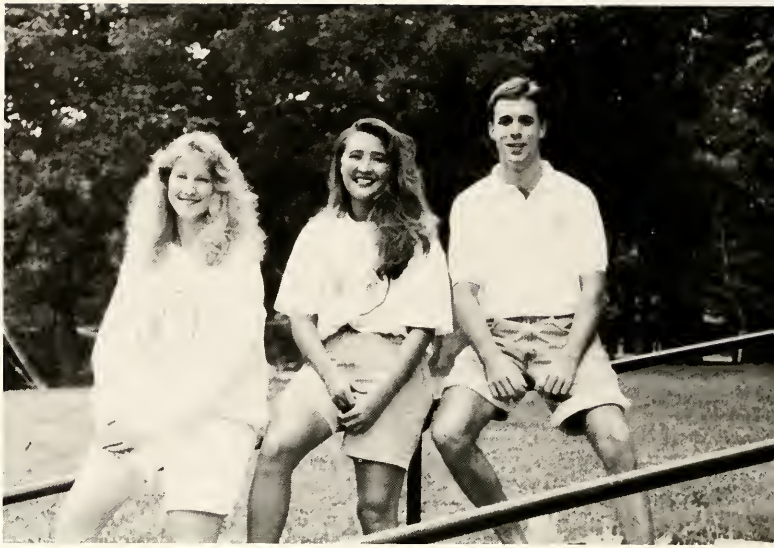
Homecoming 1992

College

October 17, 1992



Campus life and activities can be exciting and tiring!

Michael R. McAfee 1972-1993

When I'm Gone

When I'm gone
Give what's left of me away
To children
And to old folks that wait to die.
And if you need to cry,
Cry for your
brother and sister
Walking the street
beside you.
And when you need me,
Put your arms
Around someone
And Give them
What you need
to give me.

I want to leave you
something,
Something better
Than words
Or sounds.

Look for me
In the people
I've known
Or loved,
And if you cannot give me
away,
At least let me live in your
eyes
And not in your mind.

You can love me most
By letting
Hands touch hands,
And by letting go
Of children
That need to be free.

Love doesn't die,
People do.
So, when all that's left of
me
Is love,
Give me away.

An excellent leader, A great friend, And dedicated to Service.

STRUCTURE

Duke University basketball coach Mike Krzyzewski, leader of the repeat NCAA champion Blue Devils, was the keynote speaker at McKendree College's 1993 Founders Day celebration April 15. The evening also featured a silent auction and dinner.

Coach K has been crowned ACC "Coach of the Year" three times; Naismith National "Coach of the Year" twice, and the 1991 National "Coach of the Year," by the National Association of Basketball Coaches. Duke is the first repeat NCAA Champion since 1972-73; is three-time winner of the ACC title; and has made a half-dozen trips to the NCAA final four since 1986. However, Coach K's crowning achievement is not the victories of the titles. It is his dedication to the development of scholar athletes. "I don't expect them to be perfect," Coach K said. "I wasn't. There may be people who love them more than I do, but there aren't people who love them the way I do."

In Coach K's book, the player comes first, victory second. A Boston Globe columnist testified to this unique Coach K attribute: "A lot of college coaches bill themselves as teachers and quasi-academics, but few really are. Coach K is. He gets kids who can run, jump, shoot, and most important, think and then provides them with a forum to utilize all their gifts, both physical and cerebral."

CLUBS

AND

ORGANIZATIONS

Model United Nations

The Model United Nations program originated on the McKendree College Campus in 1972. Known as the Public Affairs Forum, a small group of students won the support of the college to put on a small Model U.N. conference, serving only a handful of area schools.

Today, the Model U.N. serves fourteen high schools throughout Southern Illinois and Missouri. It contains over five hundred delegates. The program also remains the only one of its kind to offer tuitional scholarships to its outstanding delegates. In addition, the McKendree Invitational Model United Nations is recognized by the United Nations Association of the United States of America.

McKendree English Language Institute

The McKendree English Language Institute students are admitted to McKendree College through certain English proficiency (TOEFL 400 or above) and a recommendation letter from their teachers in their high schools or colleges in their own countries. Japanese students are recommended to be sent by McKendree College—Japan. If their Test Of English as a Foreign Language score is not higher than 500, they study in the MELI program to prepare their English skills for college programs. During the year the international students took field trips to Eckert's Farm, St. Louis Art Museum, St. Charles Historical Districts and Showboat and the Science Museum in St. Louis. In addition to these activities, they also coordinated the first multicultural folkway festival and special presentation for three days on McKendree campus.

McKendree Review

The McKendree Review is published every other Monday of the academic year by the students to McKendree College except for holidays and examination periods.

The editorial views expressed in the Review are not necessarily those of the administration, faculty, staff or the Review staff, but are expressed opinions of the Review student editorial board of bylined editorial.

The Review welcomes letters to the editor. Letters must be typed, signed and submitted to the Review office located in lower Deneen, room 101.

Subscriptions to the McKendree Review can be purchased for $7.50 per year. Make checks payable to the McKendree Review.

Campus Christian Fellowship

The campus christian fellowship group is a group of nondenominational christian students that have a goal of spreading what Jesus means to them and how He has worked and continues to work in their lives here at school, home and in the work place. Rev. Phil Gardner the chaplain at McKendree College counsels daily with many students who stop by his office and may have a problem or just need to talk. Rev. Gardner helps many students and staff here at McKendree.

The CCF group support a child in Guatamala, the group also goes out on witness teams. The witness teams supply the testimony's of the students in the group as well as music and scripture. We have two Bible studies a week, one is done by the Chaplain and the other is student led. The group went on a mission trip over Christmas break last year to Farmington, NM. Plans for the next mission trip are now being made. Chapel services are held every Thursday in Bothwell Chapel the liturgy is alternated each week between the students, majoring in religion.

This group of men and women is continuously growing in numbers as well as in faith. The Christian spirit is contagious.

Student Government Association

McKendree College Student Government Association (S.G.A.) is the organization which represents students on campus. S.G.A. senators are elected according to class status: freshmen, sophomores, juniors, and seniors each get four representatives. S.G.A. meets weekly to discuss student interests and ideas. The meetings are held every Thursday at 4:30 pm in the Hall-of-Fame room; everyone is invited to attend.

McKendree College Choir

The McKendree College Choir performed the musical "Guys and Dolls" in the spring. Besides a successful run of the musical, the choir also performed in several concerts both before and after "Guys and Dolls". The Choir rehearsed Mondays, Wednesdays, and Fridays from 12:00 to 1:00. The choir was made up of both those students taking the class for credit and those taking the class for fun.

Alpha Phi Omega

The Chi Omega Chapter of Alpha Phi Omega is national service fraternity at McKendree College. We have 18 active members this semester. This April we were presented the service award for our section. The section is comprised of colleges such as SEMO, and Washington University. Some of our activities for this past year have been the bake sales, car washes, concession stands, and organizing blood drives. A few of the organizations that we have donated to are Children's International, scholarships, Red Cross and the Arthritis Foundation. Actives are Kristen Ackermann, Trisha Baldock, Teena Bell, Dan Forth, Becky Ferrarra, Gary Hill, Heather Lowry, George Johns, Mike McAfee, Mike Fisher, Renee Tadlock, Keri Smith, Angela Heinzl, Adrienne Erspamer, Sherry Blythe, Kimberly Cole, Kim Evans, Michele Whiting, Advisor Dr. Betsy Gordon.

Phi Lambda Tau

The Platonian Social Society objective is to promote social activities on and off the campus of McKendree College and to create an atmosphere of brotherhood within the organization.

Kappa Lambda Iota

Kappa Lambda Iota is a chartered organization of the State of Illinois. Founded under the name of the Clionian Literary Society on December 6, 1869, Clio is the oldest as well as the largest sorority on campus boasting 29 active members, 2 honorary members and 4 Big brothers. Clio exemplifies a diversity of McKendree women while maintaining a century-old tradition of friendship, loyalty and sisterhood.

Professor Robert H. Brown

October 1992 McKendree lost one of it's great men, Robert H. Brown. Professor Brown began a 31-year teaching career at McKendree in 1957. Although recently retired as a distinguished service professor emeritus of sociology, Professor Brown continued as an adjunct sociology professor.

Robert H. Brown, 63, died Saturday, Oct. 10, 1992, at his Lebanon home.

Friends and family members of Ferd Sommer and Professor Robert Brown gathered with the McKendree College campus community November 19 as trees were planted on the lower campus. The trees, are a living memorial to Sommer and Brown. A blue spruce was planted in memory of Sommer, who worked in McKendree College maintenance department. A green ash was planted in Brown's memory.

McKendree College opens McKinley Education Center

L. Dean McKinley, a former McKendree College trustee and member of Union United Methodist Church, Belleville, Ill., donated a two-story building in downtown Belleville to McKendree College.

Dr. Gerrit TenBrink said McKendree College was extremely grateful for the building which will be used for academic as well as other college purposes. Currently McKendree is using the facility as a health clinic. Dr. Linda Steele, professor of nursing and chair for the division of nursing, said the college was offering services on a limited basis, initially targeting the elderly and offering health education services.

Men's Basketball

The crowd watches intently as McKendree makes its way to victory.

Timely baskets and free throw shooting helped the McKendree Bearcats pull away from the Harris-Stowe Hornets in the second half en route to a 102-90 victory Feb. 20, and their second straight Show-Me Collegiate Conference basketball championship.

The Bearcats have competed in the SMCC two years, capturing the regular season crown both years while compiling an 18-2 conference record over the two year span.

McKendree trailed Harris-Stowe 78-74 with 7:08 left in the contest. Then the Bearcats caught fire and went on a 13-0 run sparked by three-pointers from freshmen Marc Derwort and Jon Kraus. McKendree maintained the lead by going 23 fro 29 from the free throw line in the second half.

"We didn't play well in the first half but finally turned it up in the second half," said Coach Harry Statham.

The leading scorer for the 'Cats was senior Mark Markus who pumped in 19, with junior Todd Grigg adding 17. Senior Steve Davis led McKendree in the rebounding department with 11, and senior Chris Zupan led the squad with 5 assists.

By winning the regular season crown, McKendree gained the number one seed in the Show-Me Collegiate Conference Tournament. The 'Cats received a first round bye. In the second round fourth-seeded Missouri Baptist upset the 'Cats 81-71. Columbia won the tournament crown by knocking off Missouri Baptist 96-62 in the championship game.

Entering the conference tournament McKendree had won nine of their last ten games. The Bearcats had moved into the number 30 spot in the NAIA Division I national poll.

At the end of regular season play forward Mark Markus, from Aviston, Ill., led the 'Cats as the top point getter by averaging 16.3 points per game. At the other forward spot, Steve Davis, from Chicago, Ill., led the team in rebounding with six boards a game.

The Bearcats were scheduled to play IIT March 3 in the first round of the NAIA District 20 playoffs. The NAIA National Tournament is scheduled to get underway March 16 in Kansas City.

My second home

Editor:
Keri Smith
Assistant Editor:
Kimberly Cole

I would like to thank the people that supported me throughout the whole book . . . it has been a difficult road to travel, but we made it. A big thank you goes out to my Assistant Editor Kimberly Cole. What would I have done without you?!? And to Kim Lobring, what can I say??? You saved my life! Thank you for your time and assistance. And Finally, a thank you to Scott Wilson, for being supportive and willing to help in any way you could.

This book is dedicated to my friend, Mike McAfee, who unfortunately can't be with us to see the finished product. Mike, I hope that you would like the results. I speak for many people when I say that we miss you greatly . . .
